

REMARKS

On June 9, 2005, the Examiner agreed that the Office Action mailed March 24, 2005 for the captioned application would be withdrawn because the claims filed in the previously filed second preliminary amendment were not considered.

The Public Patent Application Information Retrieval system indicated that a letter withdrawing/vacating Office Action was mailed on June 15, 2005 (see enclosed printout page of the PAIR system). However, the undersigned attorney has not received such letter.

Our associate attorney, Jiwen Chen, made telephone calls to the Examiner Leonard Williams on July 8, 2005 and July 15, 2005. The Examiner indicated that he will check the matter. The Examiner further indicated that the Office Action mailed March 24, 2005 had been withdrawn and a new Office Action will be issued.

Therefore, it is the understanding of the undersigned attorney that the Office Action mailed March 24, 2005 had been withdrawn and a new Office Action will be issued. Accordingly, a response to the Office Action mailed March 24, 2005 is unnecessary.

Respectfully submitted,
